Chicken Pox

We have had a number of cases of children with chicken pox in school. Symptoms can include a fever, feeling unwell and flat red spots that become filled with fluid.

The virus is spread from nose or throat droplets or the fluid inside the spots.

It is recommended that children stay off school until 5 days after the spots appear or until the fluid in spots has dried up.

Library Books

Please ensure your child returns their library book when they have finished reading it and could parents ensure that library books are kept somewhere safe when taken home as we have had quite a few books returned to school recently that are damaged either by younger siblings, pets or spillages. Thank you for your

Lates

This week's lost learning is 5 hours & 43 Minutes !

It is very disruptive for classes and staff when they are constantly interrupted by late arrivals. It also causes a lot of extra work for Mrs Moulton with ordering school lunches for late arrivals.

If late you must sign your child in at the office and provide a reason for lateness.

Thank you to those parents who consistently bring children to school on time - you are ensuring that your children get the best possible start to their day and have the best chance at making great progress.

Reading Tea Parties

Well done to Grace, Chloe, Cally, Erin, Dylan, Patrick and Max who attended a reading party on Thursday. It was lovely to hear you talk so confidently about your favourite books and authors.

Word Millionaires

Congratulations to Maisey (Y5) who has become our newest word two millionaire on Accelerated Reader - a great achievement and she received her £20 book voucher in our Celebration Assembly last week. Also a massive well done to Isabel(Y6) who has read over four million words since September. She was rewarded with an Adopt a Basking Shark pack. Keep up the amazing reading - very proud of both of you.

Year 6 SATs Week

As you all know Year 6 have their SATs next week. Please can you make sure that your child arrives to school by 8.55am. We will be opening up early for Year 6 from Monday to Thursday that week at 8.30a.m and will be providing a free breakfast for anyone who would like one. Please let us know if your child would like to join us at the slightly earlier time.

There are some ways you can help to give your child the best possible chance in the tests:

- Ensure they have early nights all week so they are wide awake for their tests in the morning.
- Make sure they eat their breakfast before coming to school.
- Try to make their morning/walk to school as stress free as possible.
- Send them in with a healthy snack for break time to give them an energy boost in between tests
- Make sure they bring their water bottle each day.

Our Year 6 children have been working really hard in preparation for the tests and we are really proud of them. We wish them every success next week and know they will try their very best. The timetable for the tests is below:

Monday: Reading

Tuesday: Spelling Punctuation and Grammar

Wednesday: Maths Paper 1 and 2

Thursday: Maths Paper 3

Friday: No tests

Sid Godolphin Award

Congratulations to Isabel who was awarded the Sid Godolphin Youth Achievement Award last night at the AGM of the council. Isabel was nominated for the award for her excellent participation in all aspects of school life: she was recognised for her many academic achievements, her extra curricular achievements in music, dance and swimming, her resilience and determination to succeed, her attitude to learning and school, her role as librarian and Super 6 where she is such a good role model to others.

She is a very responsible and resilient learner who has made excellent progress and achieved very highly. Isabel was awarded a commemorative plaque in recognition of her excellent effort and achievement. Well done Isabel - we are all very proud of you.

Camborne RFU Ladies

Camborne RFU ladies which includes two ex-pupils Lucie Mills and Esme Heard went on tour over the bank holiday weekend in Barnstable at a Rugby Rocks tour. There were over 3000 children playing over the 2 days. Camborne RFU ladies played 3 games on Saturday, 2 of the opposing teams were County teams.

The girls from Camborne made it through to the Sunday in 3rd place and were due to play 3 more games to get through to the final. One team had to drop out due to injuries and therefore Camborne were put through to the final against Buckinghamshire. Buckinghamshire beat Camborne the day before and therefore thought they would be easy opponents, little did they know Camborne wanted it more and our home team ended up winning 25 points to 10.

Well done Lucie and Esme for being inspirational young women.
