Hazel - Lily **Oak** - Chris **Maple** - Maddox **Holly** - Rosie. Keep up the good work!

Sad Farewell

It is with great sadness that we will be saying goodbye to Mrs Clayden at the end of February. Mrs Clayden has worked at the school for twelve years and during that time she has made such a difference to so many children and their families. On behalf of all the staff, governors and parents I would like to say thank you to Mrs Clayden for all her hard work and dedication to the school—you will be missed. We wish her all the best and know that she will enjoy having more time to spend with her family.

After half term Mrs Hannah Richards (a very experienced teacher) will be taking over Mrs Clayden's teaching

Lates

Since the beginning of term children arriving late have lost **19 hours 2 minutes** of learning time!

This week's lost learning is **5 hours 20 minutes!**

It is very disruptive for classes and staff when they are constantly interrupted by late arrivals. It also causes a lot of extra work for Mrs Moulton with ordering school lunches for late arrivals.

If late you must sign your child in at the office and provide a reason for lateness.

Thank you to those parents who consistently bring children to school on time - you are ensuring that your children

World Book Day and Snuggledown - 1st March

We will be celebrating World Book day by dressing up as favourite book characters for the day. If you are stuck for a costume have a look at www.worldbookday.com under Inspiration for some dressing up ideas. We will also be having a special themed lunch on the day prepared by the wonderful Mrs Moulton—more details to follow.

We will also be holding an Extreme Reading competition—please send any photos to Mrs Mankee—the top 5 photos as chosen by staff will win a special reading tea party and a £5.00 book voucher. Happy reading everyone!

Our Learning Ambassadors have also requested that we do another Snuggledown.

This will take place on Thursday 1st March 5.30p.m- 6.45p.m. Children from Reception to Year 6 are invited to return to school in their pyjamas for fun with books, story telling and reading.

Well behaved teddies and cosy blankets or cushions are warmly welcomed. Children will also receive a hot chocolate and a biscuit.

Notification of Child Absences

It is very important that if your child is absent from school that you inform us and give a reason for the absence. This enables Mrs Mankee to maintain the school records so the correct information is available for the Education Welfare Officer on her termly visits. This is also very important for Nursery children as we

PE Reminders

PE is an integral part of the curriculum taught at this School and your child should have suitable kit for PE and Games lessons. It is particularly important that they have correct fitting plimsolls or trainers. Unfortunately valuable lesson time is still being wasted in trying to sort out lack of kit for some individuals, particularly foot-wear.

If your child has a medical condition which affects their participation in PE lessons and daily playtimes, would you kindly provide a note to their class teacher confirming what they can and cannot do and the period that

Youth Speaks

Huge congratulations to Lily, Amber and Isla who beat off tough competition to become the winners of Camborne Youth Speaks. Their performance was absolutely first class—all of their hard work and practise in the run up to the event really paid off. This is the first time that our school has won this competition and we couldn't be prouder of this amazing achievement.

The girls will now go on to the area finals in Penzance on Tuesday 6th February with the aim of reaching the A huge thank you to parents

district final in Paignton.
for all of your support.

Dear Parents and Carers,

This year our school has registered with the British Heart Foundation's Jump Rope For Heart programme. This programme recognises the important role that regular physical activity plays in maintaining and improving health and aims to introduce students to the massive potential of skipping and associated health benefits through a series of PE lessons.

An important part of Jump Rope For Heart is the organisation of a Jump Off. This is a sponsored event which will take place at the end of a series of skipping lessons. The Jump Off provides an ideal opportunity for your child to take part in an excellent heart health activity in a relaxed and enjoyable atmosphere and, at the same time, to raise valuable sponsor money for the work of the British Heart Foundation, the nation's heart charity, and the school. 20% of the money raised will go to the school. The rest of the money is sent to the British Heart Foundation and will be used to fund pioneering research into the causes and treatment of heart disease among men, women and children, lifesaving cardiac equipment, BHF nurses and health education.

Our Jump Off will be held in school on Friday 23rd February. Children will take part in a whole school skipping event. We would greatly appreciate any support you can give your child with their fundraising, e.g. by asking your friends and family to sponsor them. We hope you will support your child, the school and the British Heart Foundation in this very worthwhile programme.

Yours sincerely,

Mrs Rossignol
