Youth Speaks Area Final

Huge congratulations to Amber, Lily and Isla who attended the area final of Youth Speaks on Tuesday at Penwith College. Their presentation skills and team work was amazing. They were up against nine other teams and competition was stiff with all schools giving performances of a very high standard. It was a very close competition with Penponds and Alverton School eventually being chosen to go through to the district final. The girls did exceptionally well and we couldn't be prouder of them. Many thanks to the staff and parents there to support them.

Lates

Since the beginning of term children arriving late have lost **22 hours 2 minutes** of learning time!

This week's lost learning is 3 hours !

It is very disruptive for classes and staff when they are constantly interrupted by late arrivals. It also causes a lot of extra work for Mrs Moulton with ordering school lunches for late arrivals.

If late you must sign your child in at the office and provide a reason for lateness.

World Book Day and Snuggledown - 1st March

We will be celebrating World Book day by dressing up as favourite book characters for the day. If you are stuck for a costume have a look at www.worldbookday.com under Inspiration for some dressing up ideas. We will also be having a special themed lunch on the day prepared by the wonderful Mrs Moulton - more details to follow.

We will also be holding an Extreme Reading competition - please send any photos to Mrs Mankee - the top 5 photos as chosen by staff will win a special reading tea party and a £5.00 book voucher. Happy reading everyone!

Our Learning Ambassadors have also requested that we do another Snuggledown. This will take place on Thursday 1st March 5.30p.m- 6.45p.m. Children from Reception to Year 6 are invited to return to school in their pyjamas for fun with books, story telling and reading.

Well behaved teddies and cosy blankets or cushions are warmly welcomed. Children will also receive a hot chocolate and a biscuit.

Notification of Child Absences

It is very important that if your child is absent from school that you inform us and give a reason for the absence. This enables Mrs Mankee to maintain the school records so the correct information is available for the Education Welfare Officer on her termly visits. This is also very important for Nursery children as we are accountable for funded hours that nursery parents claim for their child.

Word Millionaires

Congratulations to Rebecca (Y4), Amber (Y4) and Maisey (Y5) who have become word millionaires on Accelerated Reader—a great achievement. They received their £10 book vouchers in our Celebration Assembly. Also a massive well done to Isabel(Y6) and Maya (Y5) who have read over two million words since September. They were rewarded with a £20 book voucher . Keep up the amazing reading - very proud of you all.

Breakfast Club and After school club

If dropping your child to breakfast club they should be taken to the hall door at the rear of the school—they should not be coming through the school office door.

If you are collecting your child from After school club—please use the car park door or the rear hall door. Children are normally in the after school club room until 4.00 and then they move down to the hall. If there is no answer from the car park door please make your way to the hall through the car park.

When dropping your child to breakfast club or collecting from after school club you are welcome to use the staff car park. Please ensure you drive carefully and slowly as staff and children may be leaving the premises.

Super 6 Awards

We awarded our second Super 6 badges of the year in our Celebration assembly this week. Congratulations to Isabel, Lily & Scott who have impressed everyone with their attitude to learning and their exemplary behaviour. They have been 100% attenders this half term and they are punctual every day - always ready to learn and always trying their best. They have been excellent role models to younger children and take their Y6 responsibilities very seriously. Many thanks to their parents who came to see them receive their badges - a very proud moment.

Dear Parents and Carers,

This year our school has registered with the British Heart Foundation's Jump Rope For Heart programme. This programme recognises the important role that regular physical activity plays in maintaining and improving health and aims to introduce students to the massive potential of skipping and associated health benefits through a series of PE lessons.

An important part of Jump Rope For Heart is the organisation of a *Jump Off*. This is a sponsored event which will take place at the end of a series of skipping lessons. The *Jump Off* provides an ideal opportunity for your child to take part in an excellent heart health activity in a relaxed and enjoyable atmosphere and, at the same time, to raise valuable sponsor money for the work of the British Heart Foundation, the nation's heart charity, and the school. 20% of the money raised will go to the school. The rest of the money is sent to the British Heart Foundation and will be used to fund pioneering research into the causes and treatment of heart disease among men, women and children, lifesaving cardiac equipment, BHF nurses and health education.

Our *Jump Off* will be held in school on Friday 23rd February. Children will take part in a whole school skipping event. We would greatly appreciate any support you can give your child with their fundraising, e.g. by asking your friends and family to sponsor them. We hope you will support your child, the school and the British Heart Foundation in this very worthwhile programme.

Yours sincerely,

Mrs Rossignol
