## Multi - Skills Club

Please note that Multi-Skills after school club starts on Tuesday 23rd January. The charge will still be £10 as the cost of this session has increased and the school already subsidises this club.

## Winter Wear

Please make sure that children come to school with warm/waterproof clothing: coats, hats, scarves and gloves for playtimes and the journey to and from school. It may also be advisable for children to wear their wellies/waterproof shoes when walking in and going outside.

Please make sure they bring their inside shoes/plimsoles to school for lesson times.

### Parking

Please ensure you park sensibly and safely when parking outside of the school. We have had several complaints about people parking inconsiderately on the road by the bottom gates of the school (Lower meadow). Thank you.

### Tea Party

Three more reading tea parties in a week!! We have some amazing readers in our school and for two of the children it was their second tea party this year—truly inspirational. Well done Grace, Rebecca, Isla, Amber, Cally, Josie, Reece, Lily, Dexter, Max, Jessica, Patrick, Oscar, Nikita, Ava-Leigh, Tyra, Maya and Morgan.

**Troon Football Club have recently purchased a defibrillator. Rather than keeping this potentially lifesaving apparatus at the Football Club, we feel it would be better suited within the village, making it more accessible to the community. However, to do so we would require a secure defibrillator cabinet to house and protect the equipment at a cost of £600**
