

Reception Spring Term - How did the fire start?

Key Vocabulary

Playdough, clay, sponge, material, cut, roll, slice, squash, mould, tool

Resources and activities I could do at home to help me with my learning

- Make playdough at home to practice rolling, cutting, moulding and joining. (There are lots of recipes online)
- Have a go at making salt dough and talk about how this is different to playdough.
- Have a go at dough disco at home to build up the muscles in your hands!! You can google dough disco or follow this link: <https://www.youtube.com/watch?v=i-IfzeG1aC4>

What will I know by the end of this unit?

- I know that I can shape clay like playdough
- I know that clay is harder to shape than playdough.
- I know that clay gets harder than playdough does when it dries.
