## Big Battery Hunt

The Big Battery Hunt is a back for year 2! Last year we managed to recycle 4 million batteries as part of our nationwide battery recycling initiative funded by Duracell. Young people in schools across the UK are encouraged to think about the importance of recycling, and then challenged to collect as many used batteries as they can.

The aim is for each pupil to contribute to an overall total and help us beat last year's total! Each family will have been given a collecting box this week and there will be a big collection box outside the office when it arrives to empty your batteries into. The last day for bringing in any batteries will be 24th May. Prizes that could be won for school are: A 2 night class trip to the sustainability centre, A 3 year subscription to MyMaths worth £1000, £2000 of school equipment, iPads, Certificates & Trophies!

## Learning Conferences

Thank you to all those parents who attended the learning conferences this week.

The children really enjoyed talking to you about their learning and showing you the progress they have made since the beginning of the year. If you have any feedback about the conferences - what went well or even better if... please let us know so we can look at making changes for next year. Many thanks for your continued support.

### Beech Class - Space Odyssey

Our Y2 children attended the Space Dome at Penponds school on Tuesday and had an amazing experience finding out about our solar system.

A big thank you to Mr Richards for organising the event and to Penponds school for making us feel so welcome.

Over 300 children from our MAT schools took part.

### Breakfast Club & Afterschool Childcare Bookings

A polite reminder to parents that bookings should be made in advance online for breakfast and after school club childcare. The system will not allow you to book after this period and your account needs to be in credit to book items. In case of any emergency booking please contact Mrs Mankee.

**There should be no children in before or afterschool care that have NOT been booked in.**

The clubs are getting quite busy **so spaces are limited** and it is vitally important that we know numbers so there is the right level of adult supervision and the right amount of breakfast or snack available. Our terms and conditions are available on the school website along with our booking form.

We do understand that there are occasional emergencies and we will obviously support families if and when these unforeseen situations arise.

If less than 24 hours notice is given to cancel a booked place, parents will still be charged. Also we ask all parents to sign their children out so there will be a charge for any late pick ups

Many thanks for your support with this matter.

### \*\*School Dinners - Important\*\*

All Lunch money **MUST** be paid **at the start of each week on a Monday** and sent into class in a named envelope stating the days your child requires a lunch. This helps Mrs Moulton to prepare for the week and ensure the stock she orders is the correct amount. It also ensures there is no confusion in the office or with lunch registers. Many thanks for your help with this.

**We will not be able to provide a lunch for children if the money has not been paid in advance.**
