Book Fair

Thank you to everyone that came and supported the book fair during the last week.

We earned £90.00 in commission to spend on new books for our school library.

Thank you for your support.

House Point Cups

Please return all house point cups as soon as possible. These will be awarded in the final week of term to the child in each year group who has earned the most house points this term.

Many thanks.

Easter Raffle

This year the raffle will run as follows: There will be 18 Easter eggs to win (there will be two winners from each class including morning and afternoon nursery) and there will be a chance to win the grand prize of a big egg and a cuddly duck. A huge thank you to Aimee Jones and County Confectionery Ltd for their very kind donation of the 18 eggs. They look delicious.

We are not asking parents to donate eggs but hope that you can spare some money to buy raffle tickets - 20p each or £1.00 a strip. These are on sale until Thursday 4th April

The grand draw will take place on the last day of term at our final Golden Time Treat.

Breakfast Club & Afterschool Childcare Bookings

A polite reminder to parents that bookings should be made in advance online for breakfast and after school club childcare. The system will not allow you to book after this period and your account needs to be in credit to book items. In case of any emergency booking please contact Mrs Mankee.

There should be no children in before or afterschool care that have NOT been booked in.

The clubs are getting quite busy **so spaces are limited** and it is vitally important that we know numbers so there is the right level of adult supervision and the right amount of breakfast or snack available. Our terms and conditions are available on the school website along with our booking form.

We do understand that there are occasional emergencies and we will obviously support families if and when these unforeseen situations arise.

If less than 24 hours notice is given to cancel a booked place, parents will still be charged.

Also we ask all parents to sign their children out. **There will be a charge of £10 for any late pick ups**

Many thanks for your support with this matter.

****School Dinners - Important ****

All Lunch money **MUST** be paid **at the start of each week on a Monday** and sent into class in a named envelope stating the days your child requires a lunch.

This helps Mrs Moulton to prepare for the week and ensure the stock she orders is the correct amount. It also ensures there is no confusion in the office or with lunch registers. Many thanks for your help with this.

We will not be able to provide a lunch for children if the money has not been paid in advance. There will be a new menu after the Easter Holidays

Mothering Sunday

On Sunday 31st March our school choir will be performing at Troon Methodist Church as part of the Mothering Sunday Service.

The choir need to arrive at 10.15a.m and meet in the Guild Room to the rear of the church.

The Service starts at 10.30a.m and will finish at 11.30a.m.

Everyone is welcome to attend and there will be tea, coffee and biscuits available at the end of the service

Reading Tea Party

We had two reading tea parties this week with these amazing readers. As well as talking so articulately about their reading they also talked with great enthusiasm about their learning.

It was great to hear how passionate the children were about the environment as they discussed plastic pollution and sustainable fishing. Great conversations.

Clocks go forward this weekend!

Big Battery Hunt

The Big Battery Hunt is a back for year 2! Last year we managed to recycle 4 million batteries as part of our nationwide battery recycling initiative funded by Duracell. Young people in schools across the UK are encouraged to think about the importance of recycling, and then challenged to collect as many used batteries as they can.

The aim is for each pupil to contribute to an overall total and help us beat last year's total! Each family will have been given a collecting box and there will be a big collection box outside the office when it arrives to empty your batteries into. The last day for bringing in any batteries will be 24th May. Prizes that could be won for school are: A 2 night class trip to the sustainability centre, A 3 year subscription to MyMaths worth £1000, £2000 of school equipment, iPads, Certificates & Trophies!

It would be very helpful if all batteries could be counted when given into school as Mrs Mankee & Mrs Emery have spent a few afternoons counting batteries....

Rainbow MAT Performance

On Tuesday night our Samba players, choir and dancers performed on the Regal Theatre stage to a huge audience of over four hundred people. It was a sell out performance! All of our children performed brilliantly and their behaviour was exemplary. The audience was so impressed with their confidence, technical ability and team work. There are a few photos below taken by a professional photographer. I will put all of the photos up on our school website next week.

Thank you to all of the staff, Natalie Prowse (choreographer), Andy Bilham (Samba Teacher) and Cheryl Brendish (choir teacher) for all of their hard work and support. Thank you to parents and families for supporting the event. Hopefully this will now become an annual tradition—a joint performance with our other MAT schools celebrating the huge amount of talent we have across the Rainbow MAT. Well done everyone.
