

### What should I already know?

- ◇ How to order events over a large timescale
- ◇ How to question the impact that historical events and people had
- ◇ The difference between primary and secondary sources

### Key Vocabulary

Neil Armstrong, Buzz Aldrin, Michael Collins, Tim Peake, Valentina Tershkova, Yuri Gagarin, Apollo 11, Vostok 1, Vostok 6, International Space Station, Edwin Hubble, Hubble Space Telescope, Galileo.

### Resources to help me with my learning!
