

#### What should I already know and be doing?

- Make comments and ask questions about the world, such as the place where they live and the natural world
- Talk about some things they have observed such as plants, animals, natural and found objects

#### Key Vocabulary

Spring, Summer, Autumn, Winter, land, sea, same, different, map, beach, park, village, town, weather, changes, world

#### Resources to help me with my learning!

Have a go at playing 'Nina's Earth Explorers' at:

<https://www.bbc.co.uk/games/embed/g35ncfx1jz?exitGameUrl=https%3A%2F%2Fwww.bbc.co.uk%2Fcbabies%2Fgames%2Fninas-earth-explorers-game>

#### What will I know and be doing by the end of this unit?

- Know that the world is made up of land and water
- Know that there are four seasons and they are: Spring, Summer, Autumn and Winter
- Know about the weathers we have in the different seasons
- Know that you find different things in different places
- Know what a map is
- Know the difference between Troon and Newquay
