Dates for your Diary

7th May ~ Dress Up as an animal Day!

31st May - 4th June ~ Half Term

21st July ~ Last day of Term

22nd & 23rd July ~ Inset Days

Dear parents/carers,

What a productive week we have had! As well as all of the exciting learning in the classroom we have been busy working outside planting flowers and beans and tidying up! Sadly, we said goodbye to Mrs Mankee yesterday as she is leaving us to start a new job at The Rainbow MAT. Mrs Mankee has been with Troon School for 17 years and will be very missed. We are pleased to welcome Miss Hazzard who will be taking on the role of our new school secretary. Welcome to the team Miss Hazzard! Wishing you all a happy and sunny bank holiday weekend.

Mrs Wilkins :)

School Crossing Patrol Person

We are looking for a School Crossing Patrol Person to help our child and parents safely across the road at the beginning and end of school.

If you are interested or know someone who might be please follow the link below

www.corservltd.co.uk/work-with-corserv/jobs/ and then look for school crossing patrol

Nursery places for 2 year olds

Exciting News - In September we are planning to open up the Nursery to two year olds.

If you are interested in a place for your child please contact the school office.

You can find more information on 2 year old funding on the Cornwall Council website.

Super 6 Awards

We awarded our first Super 6 badges for the year in our whole school virtual assembly this week.

Congratulations to Layla, Ollie and Nikita who have impressed everyone with their attitude to learning and their exemplary behaviour.

They have been 100% attenders this year and they are punctual every day - always ready to learn and always trying their best. They have been excellent role models to younger children and take their Y6 responsibilities very seriously.

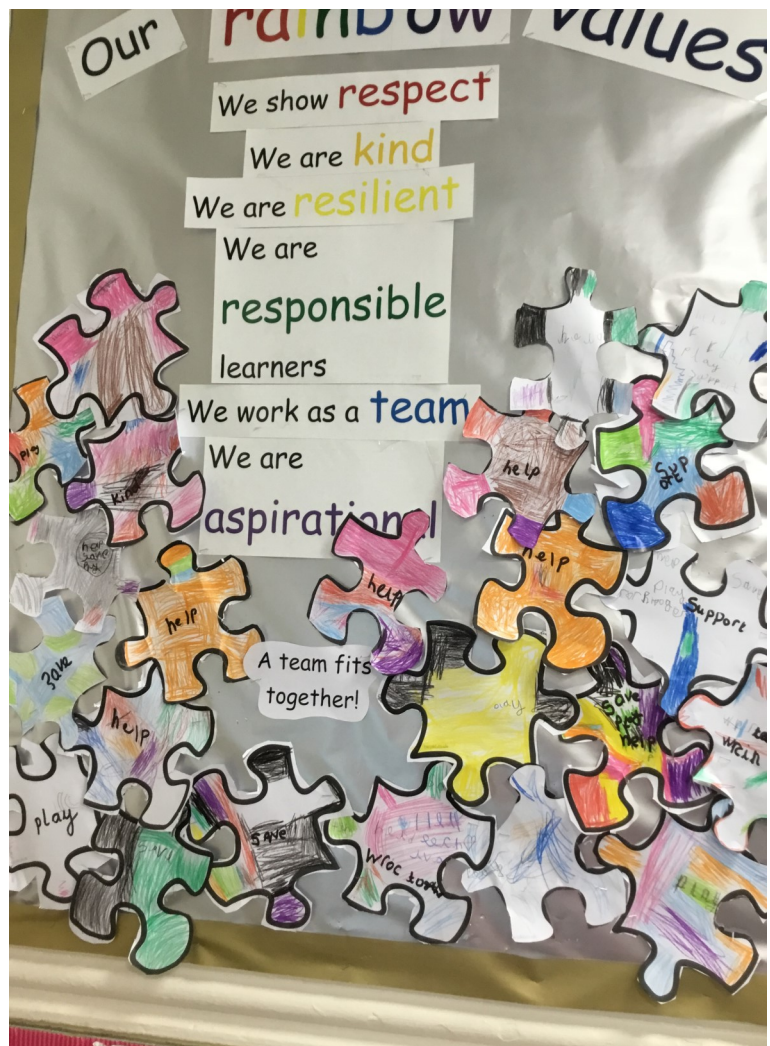

In the Early Years Foundation Stage we have been busy designing and making models. We have been keeping a close eye on our bird feeder and have been making sure it's kept topped up with food too. In our maths we have been learning about repeating patterns and have been making some of our own. As the weather is getting warmer, we have been enjoying our snack outside and have loved playing with our new mud kitchen.

Year 1 - Willow Class

Willow class have returned ready to learn! So far we have thought about our school value this term and put our team puzzle together. In maths we have been exploring how to count in tens and make numbers up to 100! We are reading a new book called Flotsam which is about a magical camera discovered at sea. The children are enjoying writing their own stories to go alongside the picture book. A great start to the term!

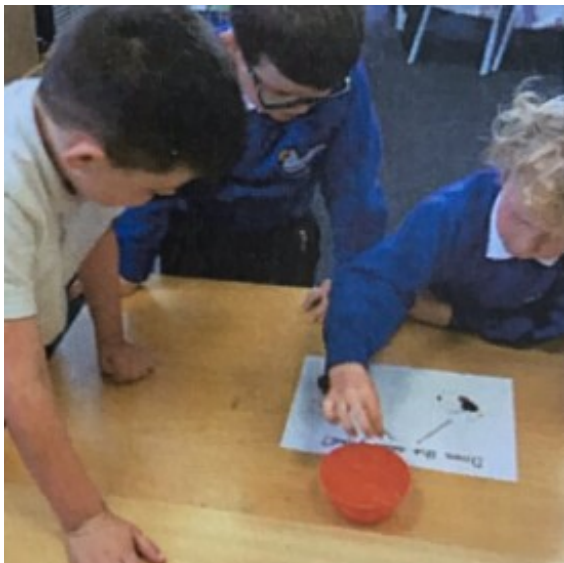

Year 2 - Beech Class

Beech Class have had a wonderful start to the summer term and the children are so happy to be back with their school friends.

Surprisingly, we found a note and some mysterious beans scattered around the playground. We've planted them and are waiting patiently to see what will grow!

Also, we've had fun being botanists, exploring ways to categorise seeds.

Year 3 - Hazel Class

Children in Year 3 loved their first Ukulele lesson this week and have now taken their instruments home so that they can practise between lessons. The year 3's had great fun tasting and testing a range of healthy soups and will be designing and making their own soon!

Well done to all the Year 3's that have helped with tidying up our outdoor areas and planting seeds!

Year 4/5 - Oak Class

Oak Class have had a great start back to the new term so far. Last week we settled into our normal routine and timetable, focusing on our school value this term of Teamwork. We have worked as a team to earn cubes in class for good behaviour and responsible learning. We have really enjoyed working as a team to revise the timetables we have recently focused on (4 and 8), and to make sure we learn and are confident with the 3 times table. Singing and dancing as we learn is great fun! Tuesday's P.E. lessons have also been enjoyable as we have started orienteering lessons and last week completed a 'treasure hunt' in teams of 4. Miss Gray was really impressed with the resilience the children showed when it became a little tricky

Year 6 - Holly Class

We have launched our Space topic by starting to make paper mache rocket models. In RE we have been learning about The Wise and Foolish Builders parable and created our own builds on sand and rock. So far in topic we have learnt about the Apollo II space race to the moon and who the astronauts were. In English we have been learning about Curiosity the Mars rover, writing explanation texts about its mission. In science we have been learning about the planets in the solar system and have created some fun mnemonics to help us remember their order. What a busy start to Summer term already! It has been great to see the children so enthusiastic about our topic. We were also delighted to award our first Super 6s of the year, congratulations Ollie, Layla and Nikita for being fantastic role models.
