Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

3. Definitions

- Charge: a fee payable for specifically defined activities
- Remission: the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The Board of Directors

The Board of Directors has overall responsibility for approving the charging and remissions policy, delegated to the Finance Committee.

In The Rainbow Multi Academy Trust, monitoring the implementation of this policy has been delegated to the CEO and Chief Financial Officer (CFO).

4.2 The Head

The head is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Our staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the head or CFO of any specific circumstances which they are unsure about or where they are not certain if the policy applies

4.4 Parents

Parents are expected to notify staff or the head of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

In each of the Trust's schools, charges cannot be made for the following:

5.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- Entry for a prescribed public examination if the pupil has been prepared for it at the school
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school

- Transport provided in connection with an educational visit

5.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

6. Where charges can be made

In each of the Trust's schools, charges can be made for the following:

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances
- Certain early years provision
- Community facilities

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing board has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit

- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

The school can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a pupil who is looked after by a local authority

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include:

School trips, sporting events and cooking activities.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

8. Activities that schools charge for

The school will charge for the following activities:

Breakfast and after school provision, additional nursery provision, optional sports clubs where specialised instructors have been brought in.

Each school will have varying activities that they will charge for. Please refer to each school individually.

For each activity, charges made will be to cover the cost of the activity, staffing, transport and any other requirements to enable the activity to take place.

Parents will be informed of any changes to the charges for the coming year at least 28 calendar days in advance of the change.

9. Remissions

In some circumstances the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the CEO and will depend on the activity in question.

10. Debtors

The Heads may write off debts under £100.

Debts over £100 may be written off only with the approval of the Finance Committee.

Debts above the level detailed in the annual funding letter must be submitted to DfE for approval to be written off.

The Schools' finance staff will be responsible for chasing outstanding debts.

The following debt recovery policy will be applied:

- If payment has not been received 30 days after invoice, a first reminder will be sent requesting payment.

- If payment is not forthcoming after a further 30 days, a second reminder will be sent with a threat of further action (unspecified) to recover the debt if payment is not received within 7 days.
- If payment is still not forthcoming, a third reminder will be sent with a threat of legal action through the small claims court if payment is not received within 7 days.
- If payment is still not forthcoming the matter is reported to Finance Committee to seek approval for proceeding with legal action through the small claims court.
- The current aged debtors report together with details of any debts outstanding and requests for debts to be written off will be provided for each Finance Committee meeting.

11. Monitoring arrangements

The CFO monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the CFO every two years. At every review, the policy will be approved by the Finance Committee and Board of Directors.
